

Hello.

John K Vang
Web Developer

Updated: 05/20

My name is John. I am web developer living in Minneapolis, Minnesota. I have 7+ years of agency work experience, designing and developing websites. I specialise in custom WordPress development and responsive/UX websites. I manage my time and projects efficiently. I am an awesome team player that can also work independently. I also have a strong background in design and illustration.

Work.

Freelance

Mar 2010 - Current
Minneapolis MN

Designed and developed websites for various clients. Customized WordPress themes and functionality. Created wireframe for UI/UX design and layout. Logo and brand development. Consulted and educated clients on subjects related to the internet.

UX Developer

Dec 2016 – Mar 2020
SixSpeed
Minneapolis MN

Developed and maintained client websites. Took wireframes created by the designer into code and components. Created email campaigns. Worked directly with the SEO team to keep all projects up-to-date with search engine trends and algorithms. Also assisted in managing clients digital assets.

Web Developer

Apr 2014 – Sept 2016
Rocket55
Minneapolis MN

Developed award-winning websites with the industry standards and current trends. Create custom themes for the WordPress Content Management System (CMS) using PHP, CSS, JQuery and HTML5. Setup MySQL databases. Browser tested projects on all modern browsers. Setup local development environments and version control through browser and command line.

Web Designer

Jan 2013 – Apr 2014
Avallo Creative
Maple Grove MN

Created wireframe layouts. UI / UX Design. Worked closely with developers to create applications and plugins. Cross browser testing. Created email campaigns and layouts. Managed client websites and updates. Work environment includes Adobe Creative Suite 6, Coda, HTML5, CSS3 and some Javascript/jQuery.

Art Director

Oct 2011 – Feb 2013
Phenom
Minneapolis MN

Managed the screen printing shop as well as shop employees and interns. Prepped jobs for screen printing. Ordered supplies and maintained work area to clean standards. Worked closely with clients to develop branding materials for their businesses as well.

Art Director

May 2010 – Oct 2011
Chux Design + Print
St. Louis Park MN

Managed art projects and delegated workflow. Designed artwork for t-shirt graphics. Separated colors and prepped work for screen printing. Trouble shot problems with client supplied files. Operated a fully automated 6-head press.

Graphic Specialist

Oct 2000 – Dec 2008
Merrill Corporation
Roseville MN

Worked closely with clients and account reps from all over the world including London, Frankfurt, India, Toronto and Calgary. Checked client supplied data to meet print specs and created new graphic elements for financial print documents and websites.
